

Company Health Policy FAQ

Department: HR

Document Type: FAQ

Purpose: This synthetic test document is designed for document management, metadata extraction, OCR review, and semantic search.

Details: Question: What is the company health policy? Answer: The company health policy is the HR benefits policy that defines eligibility, company premium contributions, available medical plan options, covered health services, enrollment deadlines, dependent coverage, and qualifying life event rules for employee health benefits. Question: Who is eligible? Answer: Regular full-time employees scheduled to work at least thirty hours per week are eligible. Question: When does coverage start? Answer: Coverage starts on the first day of the month after thirty days of employment.

Review Notes: Use this file to test searches related to hr, faq, approvals, policies, reports, invoices, and operational workflows.
